## **Greener World to Launch at the 2025 Mid-Atlantic Nursery Trade Show – MANTS**

- *Company Will Celebrate Its Formation at the Pratt Street Ale House*
- *Greener World's Certified Agronomists, Crop Advisers and Horticultural Experts Are Committed to Providing Cost-Effective, Sustainable Products*

**BALTIMORE, Maryland, January 8, 2025** – [Greener World, LLC](#), a leading provider of composts, fertilizers, mulch, soil and soil conditioners in North America, is pleased to announce its participation in the 2025 Mid-Atlantic Nursery Trade Show in Baltimore, Maryland, January 8-10, 2025, in the Baltimore Convention Center.

“We are excited to launch Greener World at MANTS in our headquarters city of Baltimore, and to showcase our AllGro® compost, Granulite® fertilizer, Greener World™ topsoil and TopPro™ soil conditioner,” said Lisa Williams, Sr. Director, Technical Services, East Coast, Greener World. “We’re also hosting invited guests to our Greener World Launch Celebration on Thursday, January 9, from 7:00 to 10:00 p.m. at Baltimore’s Pratt Street Ale House directly across the street from the Baltimore Convention Center.”

“From topsoil and compost to slow-release fertilizers, we have the beneficial products your business needs to be more profitable. And we offer competitive and bulk pricing,” said Jason Krankowski, Area Director, Soils and TopPro® Soil Conditioner, Greener World. “Meet our team at MANTS in Booth 2 and learn more about our products and commitment to a greener world.”

### **About Greener World**

At Greener World, we are committed to sustainable solutions that drive environmental progress. Greener World is one of the largest distributors of compost, fertilizers, mulch, soil conditioners and topsoil in North America. Our products support regenerative agriculture, land reclamation and soil health improvement. With a dedicated team of experts and a passion for sustainability, Greener World is shaping a greener future with organics-based products.

The Greener World team includes certified agronomists, crop advisers and horticultural experts who understand your needs and are committed to working with you to provide products that can save you money while enhancing the productivity of your land. Join us in cultivating a healthier, more sustainable world.
