

For Immediate Release

Synagro to Highlight Products and Services at WEF Residuals & Biosolids and Innovations in Treatment Technology Conference

Booth 812

- *Synagro's Industry Experts to Present During Regulatory Strategies Session*
- *Company Will Host Its Unforgettable Kansas City Evening at Howl at the Moon*

BALTIMORE, Maryland, May 5, 2026 – [Synagro Technologies, Inc.](https://www.synagro.com), North America's leading provider of sustainable solutions for biosolids, organics and residuals, is pleased to announce its participation in the Water Environment Federation (WEF) Residuals & Biosolids and Innovations in Treatment Technology Conference (RB/ITT26) in Kansas City, Missouri, May 11-14, 2026, at the Kansas City Convention Center.

"As Synagro celebrates its 40th year in business, we are especially thrilled to be exhibiting at RB/ITT26, and to showcase all of our products and services," said Pam Racey, Chief Commercial Officer, Synagro. "We're also excited to be hosting conference attendees at our Unforgettable Kansas City Evening featuring top-shelf, live entertainment on Tuesday, May 12, from 7:00 to 10:00 p.m. at Howl at the Moon – Kansas City!"

Synagro urges conference attendees who may not have already received an invitation to our Unforgettable Kansas City Evening to stop by Booth 812 and pick one up, as space is limited.

Meet Synagro's professionals at Booth 812 to talk with us about the many ways in which Synagro partners with municipal, agricultural and industrial customers to process, handle and transport wastewater, biosolids and other organic materials. From thermal drying to digester cleaning, when it comes to biosolids, our mission is to be the most trusted provider of resource recovery solutions. We help our customers identify their needs and the solutions that are best tailored to address those needs most economically. [...more](#)

"As Synagro celebrates its 40th year in business, we are especially thrilled to be exhibiting at RB/ITT26, and to showcase all of our products and services. We're also excited to be hosting conference attendees at our Unforgettable Kansas City Evening!"
